Humane Society to Honour Girl at Kinsmen Dance

Patsy Beasley, 14 year old daughter of Mr. and Mrs. Harry Beasley of Pacific Ave., will be presented with the Royal Humane Society scroll by Mayor W. (Bill) Hodgson at the Kinsmen Halloween party tonight at Semiahmoo High.

Patsy will receive the honour for saving the life of 13 year old Lloyd Porter in July, 1956, when the boy dived from the pier into the swimming tank and struck his head injuring his neck and suffering a temporary blackout.

Patsy was assisted by her older brother, Jim, now with

the Royal Canadian Navy. She is a Grade 8 student at White Rock School.

KINSMEN FUN

The presentation will highlight the annual Kinsmen entertainment high school students starting at 9 p.m.

The high school dance will follow a party for pre-school children from 4.30 p.m. to 6 p.m. and an elementary school party for Grades 1 to 7 inclusive to be held from 7 to 9 p.m.

Grand prize will again feature a brand new bicycle for some lucky Grade 1 to 7 pupil.

SCHULTZ STILL UNDECIDED

Undecided at press time whether or not he would stand for Reeve of Surrey in the coming municipal elections was former Reeve Charles Schultz, Johnston Road. Mr. Schultz is expected to make a decision this week. Leslie H. Cowley, of North Surrey, a 32 year old welder was chosen reeve candidate at a meeting of the Surrey Good Government League recently. He won over Mr. Schultz by a slim 25-24 vote. Local Council candidates chosen by the League include Wenman Langton, Crescent-Ocean Park, and Ward 5 Councillor Ted Kuhn. Oliver Scott of Ocean Park withdrew as a School Board candidate.

High School Teacher Wins Gas Range

An excited and happy retired school teacher told the Semiahmoo Sun yesterday, she was "delighted" with her good luck in winning the beautiful fully automatic gas range at the B.C. Electric sponsored gas show held last week in the Palladium.

It is the first big prize Mrs. Bertha Porter, who lives on Parker St., has ever won.

"It came as a complete surprise to me," she said, "I never go out at night but I went that evening upon persuasion and there you are."

Mrs. Porter has returned to the profession of teaching as a substitute teacher. At present she is substituting at Princess Margaret High School. She came to live in White Rock in 1956, after teaching for some years on Gabriola Island and at Qualicum Beach.

Another lucky winner, Mrs. G. Cross, 1476 Stayte Road, is happy with her Coleman Space heater, won in Quality Metals draw at the Gas Show.

Holds Surrey

P-T Council Asks for School Travel Paths

Surrey and District Parent Teacher Council will ask both White Rock City and Surrey Municipal Councils to support a recommendation that travel paths be constructed for one half mile on each side of every school in District No. 36.

The Parent Teacher Council decided on this recommendation at their regular monthly meeting held Thursday at Simon Cunningham elementary school.

The Council decided to amend their bylaws enabling them to change the name of the organization from "Surrey

W.R. Woman Designs B.C. Centennial Tie

The sartorial appearance of all adult males (and possibly a good many juveniles, too) will be greatly enhanced, come 1958 with a tie designed by a White Rock resident.

Mrs. Constance Cox, Russell Road, has created a tie which has been accepted by the B.C. Centennial Committee as the official Centenary design.

It features an authentic historical B.C. theme of war canoes and native scenes.

Mrs. Cox, whose father opened a Hudson's Bay post on the Skeena in 1857, is an authority on early Northern B.C. history. She has just returned from a summer spent at Summit Lodge, on Summit Lake north of Prince George where she met numerous Wenner-Gren scientists who "helicopted" from the Lodge to their work in the Rocky Mountain Trench.

Next August Mrs. Cox will officially open the Prince George Museum which she founded while residing in the northern centre. She is a member of the White Rock Branch of the B.C. Historical Association.

Baronet's Grandson Passes Here

The grandson of the late Sir John Denton, of Carlisle, England, Mr. John E. Denton, passed away in White Rock on Oct. 21. He was in his 83rd year.

Born in Branford, Ontario, Mr. Denton was noted in the east for his work in historical research. He retired to Vancouver some years ago and came to live in White Rock in 1954. He resided at 15288 Royal Ave.

Gelfonds Return From European Trip

Local travel agent Mark Gelfond, accompanied by Mrs. Gelfond, returned to White Rock, Oct. 17 from a 3-week trip to Europe. The trip was on a travel-education basis with Trans-Canada Air Lines, in conjunction with Mr. Gelfond's White Rock Travel Service.

The Gelfonds flew to London, and from there took a conducted bus tour, covering Belgium, Germany, Denmark, Holland, and touching Sweden. A visit to Paris was also included.

White Rock Man Killed In Automobile Crash

A 39 year old White Rock man was killed when his car ran into a truck at the corner of Clow and Stokes Road at approximately 4.30 p.m. Tuesday afternoon.

Pronounced dead on arrival at White Rock District Hospital was William Thomas Stewart of 157 Street, Chapel Hill Ambulance rushed the man to hospital.

He is survived by his wife, 1 son, James; 1 daughter, Janice at home; his father and mother in Galahad, Alberta; 2

brothers, Gordon of Alberta, Thomas of Ontario; 2 sisters, Mrs. S. Easton and Mrs. J. Livingstone, Edmonton.

Mr. Stewart was a member of Alliance Lodge No. 135 A.F. and A.M., Alberta; Charter Member Tweedsmuir Lodge No. 152, Burns Lake.

Full Masonic Service under the auspices of Joppa Lodge No. 112, White Rock, will be held on Saturday, Nov. 2 at 1.30 p.m. from Chapel Hill Funeral Parlour, Victoria Ave. at E St., to Sunnyside Lawn.

Stevenson Commadore Of W.R. Yacht Club

Andy Stevenson has been named commadore of White Rock Yacht Club for the coming year. He replaces past commadore Dr. T. R. Blades.

Other officers include L. Johnson, staff captain; O. Johnson, secretary; B. Hunt-

er, treasurer; L. Hassell, hydrographic and measurer.

Directors are Dr. T. R. Blades, Eric Griffiths, Wally Griffiths, Vic McPherson, Lynn Sully and H. Keenleyside.

Monthly meetings of the Club are held on the second Friday.

Top Officials Attend Ground Observer Post Opening

Regional Supervisor Major V. C. Anderson and Assistant Supervisor Milton Walkey of White Rock will be among special officials at the opening of the new Ground Observer Post on Saturday, Nov. 2 at North Bluff Road and Pacific Highway.

Other special guests will include S.L. Hoseason, I. Commanding Officer, ICOC Unit, Flight Lieutenant N. C. Johnson, commanding 10. BOBC Detachment, and at least two officers from the Filter Centre.

Following is the schedule for Saturday: 12 noon - Official party from Vancouver will arrive

in White Rock and meet with the Regional Supervisor and Chief Observer Alvin Rose. 1.30 p.m.—Introduction of S.L. Hoseason and RCAF personnel by Mr. Walkey.

1.40 p.m.—Opening remarks by S.L. Hoseason. Dedication of Observation Post and presentation of O. P. Sign to Chief Observer by F. L. Johnson followed by presentation of Wings by S.L. Hoseason.

2 p.m.—Pictures to be taken by Station Sea Island photographer.

2.15 p.m.—Concluding remarks by S.L. Hoseason. Adjourn to Canadian Legion for social hour.

Fifty Years Married For Mr. and Mrs. Vidal

Two of White Rock's best-known pioneers, Mr. and Mrs. Harry Vidal, marked their golden wedding anniversary at their Beach View Ave. home yesterday. Married on Oct. 30, 1907 in St. Stephen's Church, New Westminster, the couple came to live permanently in White Rock in 1914, and still reside in the house which was their summer home for some

years. Of Mrs. Vidal's eight children, five of them by an earlier marriage, five are still living. They are Naomi (Mrs. Sofonioson, of Mission City; Marge (Mrs. Smith, Seattle); Karl Ralph, Castlegar; Penrose (Mrs. Haley, Santa Monica) Billie (Mrs. Bolan, Pasadena).

A son, Aymeric Vidal, was killed in action while serving with the RAF in World War II.

Former B.C.E. Engineer Marks 55 Years Marriage

Mr. and Mrs. Wm. Hockley, of Stokes and Nichol Roads, are celebrating their 55th wedding anniversary this month. They came to live in White Rock in 1946, following Mr. Hockley's retirement from the B.C. Electric as an electrical engineer in 1945.

Mr. Hockley, now 81 years of age, was born in Chislehurst, Essex, while Mrs. Hockley, the former Alice Holland, hailed from Harborough, Leicestershire. They were married in Market Harborough Parish Church, Leicestershire in 1902.

Prior to coming to Canada, Mr. Hockley was resident Electrical Engineer at Frin-ton-on-Sea, Essex. He was with the B.C. Electric as an engineer for 34 years. In younger days an ardent cricketer, he was a member of the B.C. Electric Cricket Club from the year 1922, and several times captain of the team. Mrs. Hockley was a keen horsewoman.

The couple have two daughters, Mrs. D. H. Funk, Kerrisdale, and Mrs. Ray Ferguson of White Rock.

Kensington House

Holds 14th Annual Tea

The 14th Annual Open House was held on Friday, Oct. 25 at Kensington House, King George Highway. Mrs. W. Logle of Ocean Park, who is President of the Auxiliary, welcomed the visitors, and introduced the Guest Speaker, Mr. J. Brown, a former Reeve of Surrey, who had forseen the need of care for older citizens and opened the first home on the Kelly Douglas property, on Johnston

Road. Mr. Brown paid tribute to the two superintendents, Mr. and Mrs. F. Staples who ran the home during the first two years, and the late Mr. Ray Saunders and Mrs. Saunders, in charge for 12 years. An interesting programme was then given. Mr. and Mrs. L. Goodwin gave two lively marches on the saxophone and piano, Mrs. Haight, of the Peace Arch, gave two witty

Swedish readings, and Mrs. A. Peck, of Colebrook, played for community singing. Mrs. Goodwin, who has just recently returned from a trip to England, gave an interesting account of her holiday. Tea was served by the ladies of the Auxiliary and guests were taken for a tour of the Home.

There is nothing so fatal to character as half-finished tasks.—David Lloyd George.

Nurses Association To Meet Here

The South Fraser Chapter of Registered Nurses Association of B.C. will hold its annual meeting in White Rock District Hospital at 8 p.m., Nov. 6.

A talk will be given on the latest drugs, and a report from the Council Meeting, will be given by Miss Marion Ward.

Impala Sport Coupe — such luxury never came out of the low-price field before!

ALMOST TOO NEW TO BE TRUE ... '58 CHEVROLET!

The biggest, boldest
move any car ever made!

The eye-filling new Nomad... 4-door, 6-passenger station wagon.

Meet the beautifully moving '58 Chevrolet! It's so panther-quick, so silk-smooth it goes far beyond even the great Chevrolet performers of the past. Here are radical new departures in power, ride and body-frame design, a V8 unlike any other, a Full Coil suspension system and a real air ride! Even two new super models! See the '58 Chevrolet today!

Look at Chevrolet's new styling, airy new gull-wing fenders. That's how new Chevrolet is all over. It's lower and wider — and nine crisp inches longer.

There's an all-new Turbo-Thrust V8* engine with a new brand of velvety action. Pair it up

with Turboglide* and you'll command the quickest, smoothest combination on the road! There are two new rides — cradle-soft Full Coil suspension — and the first real air ride* in Chevy's field. The body-frame design is new, the wheelbase is longer, for a sweet new handling feel.

There's plenty more — a new 4-headlight system for safer seeing, new 6 and V8 power, a new foot-operated parking brake. Improved transmissions include a smoother-than-ever Powerglide*. And two new super models make their debut — the Impala Sport Coupe and Convertible. They're the lowest, most luxurious Chevrolets of all.

See all that's new at your Chevrolet dealer's!

*Optional at extra cost.

Bel Air 4-Door Sedan — bold new beauty and Fisher Body quality.

School Trustees At Large

There's more than one angle to this business of electing trustees at large, which we understand the School Board of District 36 have decided upon.

It's all very well to say that board members elected under the ward system would have a tendency to work for their own particular area. It does not follow that they would not work for the good of other areas in their School District.

We elect our provincial M.L.A.'s and our Federal M.P.'s to represent an area at either Victoria or Ottawa. This doesn't necessarily mean that they are going to sell the whole of Canada down the river just because they happen to represent one portion of it. We understand the question of representation on the school board came up following an inquiry from Victoria concerning a board member from White Rock, which is still in School District No. 36. The department sought an opinion as to whether the White Rock member should be appointed to serve with the six Surrey trustees or whether all seven should be elected from the entire district.

We can agree with the Board's decision not to have any appointed members and to stick to the usual procedure of candidates standing for office and being elected or rejected. But we cannot go along with the proposition that district representation would not be in the best interests of No. 36. Carried too far, this theory might result in all members of the School Board being elected from one district, say Port Kells.

In more than one case in the past it would certainly have been to the advantage of White Rock to have had a trustee presenting our particular views from a purely local standpoint.

There will probably be other instances and therefore it would be as well for this city to see to it that we do have that Board representation for the year 1957-58. And anyway it is only fair we should take our share of the responsibility regarding the education of our children.

Boosting White Rock

Both the lumbering industry in White Rock and this city itself got an excellent boost in a recent copy of Building Products News, a magazine published in Vancouver in the interests of the building trade.

Entitled "The Banana Belt" the article is an interview with one of White Rock's most progressive and community-spirited citizens, V. A. McPherson, whose name will always be associated with the great—and finally victorious—fight over terrific odds to get a hospital for White Rock.

Speaking in the interview about why he chose this community in which to do business Mr. McPherson gave some facts concerning White Rock which some of its detractors are apt to overlook.

He pointed out that White Rock is in a stable trading area, with a total population of 15,000 of which the city's is in the neighbourhood of 9,000, though it seems hard to convince Victoria of that latter fact. It subscribes more per capita to government bonds than any other community in Canada. To those who cry that we have no industry in White Rock Mr. McPherson also points out that we have a steady income here from retired persons, not all of whom are by any means dependent solely on pension cheques. We have here, as well, the largest individual savings per capita of any town in Canada.

As a result, for the building industry, says Mr. McPherson, White Rock has a wide able-to-pay market for package deals the building supply dealer has to sell to the public. Added to that is the fine climate and next-to-country living conditions, which is attracting more and more higher-income city business men to whom an hour commuting period is not a serious handicap.

Mr. McPherson's faith that White Rock is on the edge of explosive growth once the limited-access, speedway road via Deas Tunnel is completed, is shared by many other residents of this new city.

TRIP TO THE MOON?

According to some scientists, the time is coming soon. When they say the moon's inhabited, it's that a lot of spoof. We are sure are mighty curious, and naturally want the proof. We all know of great advancements, in air on land and sea. Yes, the scientists made the atom bomb, but a menace to you and me.

The moon's a fascinating subject, and at times it shines so bright.

But after all it was placed up there, to give us light at night.

Just as was the Sun for daytime, we don't hear of trips to it. Both Sun and Moon have their functions, that's in the Holy Writ.

Recall "Hi diddle, diddle, diddle the cat and the fiddle," a popular nursery rhyme.

"The cow jumped over the moon," a myth, but for kiddies it is fine.

Moon habitation, we've waited long for proof, the time is over-ripe.

Many, many of us feel, it's all blankety, blank, blank tripe.

W. F. McCLINTOCK

Ottawa News Letter

Dear Friends:

Her Majesty, the Queen, and His Royal Highness, the Prince Phillip, have come and gone. All that remains is the pleasant memories that one has been a part of the pageantry that marked the Opening of Parliament.

It is a memory that Mrs. Hahn and I shall long remember; the ceremony, the pomp, the thousands in the crowd that were there to greet their every move—and, of course, the climax to it all, the bow and curtsy on being presented, the clasp of the hand, and so on to be lost in a whirl with those who were there to say "Hello."

Canadians had reason to be proud, for not only did Her Majesty capture the hearts of Canada, but as the Queen of Canada, she captured the imagination of our American friends and so cemented the bond of friendship between the other countries of the Commonwealth, of Canada and of the United States.

Americans, however, I find did not give her the full recognition as Queen of Canada.

It may be possible that one of the reasons for their failure to do so is caused by the fact that Her Majesty is not permitted, by a Statute passed at the time of William and Mary, to take the Crown out of Britain. The tiara she wore at the opening of parliament, I believe, was one given to one of the earlier British

monarchs by a Russian Czar.

IMPERIAL CROWN
So, it was that when King George V went to India and became crowned King-Emperor of India in 1911, it became necessary for India to have a State Crown, which was to be known as the Imperial State Crown.

This Crown, of course, is in safe keeping with the Crown of England in the Tower of London. It was customary before India became a Republic and the reigning monarch journeyed to India, to send the Imperial Crown to that country to be used on appropriate occasions.

Her Majesty, the Queen, has indicated that she intends to return to Canada two years from now, and possibly at regular intervals in following years.

It remains for Canadians to decide whether it might not be desirable to provide her with a distinctive Crown of Canada.

I am sure whatever our opinion on this matter might be, and it is not one that our Members of Parliament should decide, Her Majesty, will remain in any eventuality, The Queen of Canada, and indeed the Queen of each of the countries that make up the Commonwealth, and not a republic.

Sincerely yours,
George Hahn, M.P.,
New Westminster, B.C.

Halloween New Style?

Sylvia Walton

"From ghoules and ghousties and leggetty beasties, and things that go bump in the night, good Lord deliver us!"

So goes a quaint old prayer. Why it came into my mind just now, I don't know, but of course it may have something to do with the atmosphere of Halloween, which is now creeping upon us. One can almost see the terrified petitioner, teeth chattering and eyes rolling, fearfully glancing over his shoulder!

However, we have come a long way from those dark, superstition-ridden times, at least we hope so! But it would seem that in most of us there lingers a nostalgic feeling for those witchy days, else why do we celebrate Halloween, year after year? And I don't think commercial plugging is altogether to blame.

WE LIKE GHOSTS!

Take ghost stories for instance, why, every country in the world has its own particular fund of creepy stories to tell, the beginnings of which are lost in antiquity. It seems that we like to raise a crop of goose pimples at this particular time of year. I wonder why? A question for

the psychoanalysts! Maybe they can come up with some interesting explanation—or, who knows, maybe our glands have something to do with it! Be that as it may, it would seem that as October nears its close, when the days grow shorter, and the chilly evening; make it pleasant to pull a chair up to the fire, that this urge for "spooky" anecdotes is felt, and we draw on our imaginations, and help the children get dressed up as hobgoblins, cheerfully paying up in apples and candies to render ourselves immune to their tricks and spells!

GADGET MOON

And then, it is over, the old witch will not ride her broomstick across the moon for another year. But, stay now—what was that about a moon? It is one thing to conjure up a witch for a special night in the year, but to have one permanently inhabiting the realms of outer space, complete with synthetic moon and all sorts of weird gadgets besides the conventional broomstick, is a horse of another colour—good Lord, deliver us indeed!

ZONING BY-LAW

changes which will make it possible for property owners in White Rock to construct homes on 33 foot (or less) lots can hardly be termed a step in the right direction. I quite recognize the fact that refusal to grant building permits to individuals who had held such lots for years, and paid taxes on them, in the expectation of retiring here some day, would have worked real hardship on many well-intentioned people. But did Council look all round the problem before they gave the go-ahead signal? Anyone can see the disastrous results of similar permission in years gone by, right here along some of our best view streets in White Rock. Very recently we suffered a very bad fire which wiped out several of these homes which had been crowded onto narrow lots. Had the wind been in the right direction and blowing with real force that fire could have swept away dozens of houses. The Fire Chief has more than once told me that he can hardly sleep some nights in the winter when snow hampers driving and a gale is blowing off the bay. How to save the houses standing cheek by cheek along the water front if a fire gets started there is what haunts him. Yet here we are about to repeat mistakes made 40 years ago.

EVERY SYMPATHY is due to holders of such lots who anticipate building small homes on them some day. It

seems to me the Council could have done some long-range planning before they decided to amend the existing by-law. Even if it had meant the City would buy up some lots or try to have the owners exchange for lots in other locations, it would surely prove quite worth while.

After all, it is the future welfare of this city which is at stake. Money has been spent by many a city council on projects of far less importance.

LIKED THE STORY I read the other day in a BBC news release. Seems a speaker talking on British humour told this: Remember St. John Ervine telling the story of the mourner at a woman's funeral who approached the widower when the ceremony was over, and said to him, meaning to be civilly sympathetic: 'You were married 60 years, John? That's a long time.' 'Aye,' said John, 'and do you know I never liked the woman.'

That's finding out the hard way.

Holy Trinity Tea Features Japanese Theme

An unusual and picturesque theme has been chosen by the Women's Auxiliary to Holy Trinity Church for their annual tea which will be held in the Church Hall in conjunction with their bazaar on November 6. The bazaar which will be opened at 2 p.m., will have a Japanese Tea Garden with servants dressed in the vivid and becoming Japanese national costumes. Mrs. G. E. Sery is general convener and President Mrs. Harry Morden will receive the guests. Geisha music will add to the atmosphere. Japan's national flower, the chrysanthemum, will be used in the decorations and some Japanese food will be served with delectable green tea, for those who prefer it.

FROM AUSTRALIA

Mr. and Mrs. Olson, 923 Stevens St., went to Vancouver to meet their grand-daughter, Mrs. Ian Davies, who has just arrived on the "Orosoro" from Australia.

VISITS SEATTLE

Mrs. R. Calderbank, 15683 Buena Vista, is going with her friend, Mrs. D. Boulter, to Seattle to visit for a short holiday.

TO LIVE HERE

Mrs. H. E. Dixon who comes from Neaford, Ont., and is in White Rock to spend the winter, hopes to stay here and make it her home. On her way to the coast Mrs. Dixon stayed at Calgary and at Beaver Lodge, Peace River.

RETURN HOME

Mr. and Mrs. C. T. Townsend, of Regina, Saskatchewan, with their daughter, have returned home after spending some time in White Rock, at 1050 Stayte Road.

VISITS ON ISLAND

Mrs. E. Lawson, of 967 Stayte Road, has been visiting friends at Campbell River, B.C.

CHURCH HONOURS MEMBER

The choir of the Presbyterian Church, had a party on Thursday night, to welcome back one of their members, Mrs. E. Thomson, who has been sick for the last few months.

IN SHAUGHNESSY

Mr. Robert Dempster of Thrift Ave., is a patient in Shaughnessy Hospital.

RETURN HOME

Mr. and Mrs. W. A. Gayton of 1368 Foster St., have returned to White Rock after spending the summer at Foam Lake and different prairie points, including Saskatoon, Edmonton and Winnipeg visiting with friends and relatives. Highlight of the trip was a family reunion at Foam Lake.

HIGH SCHOOL MIXER

Hard time mixer at the Semiahmoo High School on Friday, Oct. 25, was a great success. A happy crowd of young people crowded the floor throughout the evening. The affair was sponsored by the Students' Council and Janice Humphries was one of the winners of the prizes.

NO PLACE LIKE HOME

Mr. and Mrs. George Chow, popular proprietors of the Bluebird Cafe on Campbell River Road, have arrived back in White Rock after an eight-week motor trip to Regina, calling at Moose Jaw, Swift Current, Medicine Hat and other points. Although they thoroughly enjoyed their trip, the Chows agree there is no place like British Columbia and their hometown of White Rock.

ENTERTAINS

Mrs. J. W. Foster of Columbia Ave., is entertaining her three sisters; Mrs. Margaret DeLaney from Wenatchee, Ms. J. Jones from Seattle; and Mrs. Emma Wikle from Marshalltown, who is visiting her prior to flying from Los Angeles to visit her own daughter.

NURSE WINS R.N.

Among the 252 B.C. nurses winning the coveted registered nurse's certificate recently was Miss Ivy Ashton of White Rock.

ONTARIO GUESTS

Mr. and Mrs. W. Weese came from Belleville, Ont., to visit his sister, Mrs. Stevenson with her husband from Kingston, Ontario, also came to visit her sister, Mrs. Sorensen with her husband, was very delighted to have her sister and brother with them in the nice new home they have bought in White Rock on Stayte Road.

Crescent Mourns Death of Water Works Supt.

A sudden death which shocked and saddened a good many people, was that of Frank Turnbull, Superintendent of Water Works for Crescent and Ocean Park.

Mr. Turnbull lived at 12672 Williams road, and until his terrier dog died three years ago, he went everywhere in the truck with his master. Mr. Turnbull was known and liked by all, and always had a cheery word or joke for everyone.

Well known in the district where he had been Superintendent of the Crescent Water Works for the past 12 years, Mr. Turnbull will be particularly remembered by the countless children to whom he had always shown so much kindness and unfailing interest.

Born in Winnipeg in 1901, he lived there until 1943 when he moved to Port Moody, later moving to Crescent Beach in 1945. He was an active member of the Crescent Heights Property Owners Association.

Children Dedicated At Baptist Service

Rev. Arthur Fritzsche officiated at a simple but impressive service in White Rock Baptist Church on Sunday, Oct. 27, when the two little daughters of Dr. and Mrs. K. Middleton were dedicated.

Jan Middleton, aged four and a half, and her baby sister, Evelyn, were formally dedicated on the latter's first birthday.

A family luncheon at the home of the children's parents on Malabar Crescent followed the ceremony.

Eagle Auxiliary Hosts Prov. President

The Ladies' Auxiliary to White Rock Aerie, No. 3103, FOE, was honoured by a visit of the Madam Provincial President Mildred Bowcock on Oct. 28. Present also for this occasion were 15 visiting sisters from Peace Arch and Bellingham Auxiliaries.

In honour of the distinguished visitor, who is also Inside Guard of the Grand Auxiliary, two candidates were initiated. This ceremony was performed by the regular officers, headed by President Ethel Davis, and assisted by the Drill Team. Members initiated were Marjorie Seton and Arlie Cameron.

Following the regular meeting a social period was enjoyed under the direction of pianist Dorothy Howe, hilarious entertainment was furnished by the "Dogpatch Band from Yokum Centre," and the antics of the "band" members as well as their costumes, brought a smile to all faces. A solo, "Bless this House," was rendered by Sister Marjorie Isenor, in evoking a blessing, before visitors and members sat down to a sumptuous supper, which concluded a memorable evening.

Well-Known Crescent Golfer Dies Suddenly

The death of Henry Taylor, who lived alone at his neat place in the 2800 block on Stevenson Road since the death of his wife 18 years ago, was quite a shock to his friends and neighbours. He had played his usual 18 holes of golf at the Peace Arch course only a few days before. He was 77 years old. He will be much missed by friends and neighbour's around Beckett's Corner.

A car accident which resulted in more or less severe injury to the driver of one of the colliding cars, Miss Dorothy Sainsbury, granddaughter of Mrs. Stokes of 12362 Sunnyside Road, occurred recently. The car that hit Miss Sainsbury's rolled into the ditch in front of the old Crescent School on Ocean Park Drive. Miss Sainsbury is out of hospital, but is staying with Dr. and Mrs. Forster, Cloverdale.

In the "Great Fire of London" in 186, only six were killed.

BIRTH ANNOUNCEMENT

ARDIEL, Born to Mr. and Mrs. Ray Ardiel (nee Bobbie Bensch) on Oct. 14 1957, at the White Rock Hospital, a daughter, Terri Gail, 5 lbs. 14 ozs.

CARD OF THANKS

Mrs. Neve of 882 Haggood St. wishes to convey to Dr. Middleton and the nursing staff of White Rock District Hospital her appreciation for the care and kindness shown to her during her stay in hospital.

On behalf of the family of Frank Turnbull I wish to express my sincerest appreciation and thanks for the expressions of sympathy and the floral tributes. I want to thank especially those many friends who gave me so unsparringly of their time and made my task so much easier.

Ernie Turnbull.

Mrs. Ella May Eeles, 15288 Royal Ave., wishes to extend her thanks to the many friends and neighbours for their kind sympathy and flowers in the death of Mr. John Denton.

On the Home Front

RECIPE OF THE WEEK

Where will you find a meal more often used and more nutritious than oatmeal? Few housewives care to be without a supply on their shelves, for its uses are manifold, ranging all the way from the family porridge to dainty tea cakes. For a hard-to-beat favourite, though, there's nothing like good old-fashioned, plain oat cakes as the Scots would say, or cookies, as Canadian cooks, and children too, call them. One of my clearest memories of childhood are of cookies like those eaten in peach time with a ripe peach from the sunny slopes of West Summerland. A truly epicurean after school snack! Mrs. Ede of Pacific Ave. gave me this excellent recipe.

OATMEAL COOKIES

3 cups oatmeal
1 cup sugar
1 cup flour
1 teaspoon baking soda
Pinch of salt
¼ cup shortening (fresh beef dripping is good)
1 beaten egg
Milk sufficient to bind ingredients together
Make the dough quite stiff, roll out and cut in oblong shapes. Bake in 350 degrees oven.

15983 Pacific Ave.

Mrs. Joseph A. Ede.

On Monday, Oct. 28, the 2nd White Rock Guide Company was presented with the Divisional Shield by the District Commissioner, Mrs. Postill, of which they were co-winners this year with Strawberry Hill Guide Company, winners for the past two years.

This shield is presented annually to the Company with the best performance in a specialized project, this year for Community Service.

The occasion was also a surprise birthday party for Capt. Browne, planned entirely by the Guides themselves. Parents and friends, including ex-Commissioner Mrs. McGowan, had been invited.

After games had been played, Christine Hazlett brought in a huge decorated birthday cake complete with candles, and all present sang "Happy Birthday" to Capt. Browne. A gift of a cup and saucer was also given by the girls. Refreshments were served and the camp fire ended a memorable evening.

SUNNYSIDE

The Sunnyside Garden Club will be having their monthly meeting in the Sunnyside United Church on the 1st of November.

Mr. and Mrs. Chester Turk and their five children left last week for Kakabeka Falls, Ontario, after spending the past two months in Sunnyside.

Mr. and Mrs. G. W. Weiss of Stayte Road, last weekend celebrated their golden wedding anniversary at a family dinner which was attended by their 11 sons and daughters and their families. Friends and neighbours called to congratulate the couple when they held open house on Sunday afternoon.

Candor is the brightest gem of criticism.—Benjamin Disraeli.

Planning to Insulate?

BEFORE
YOU BUY
COMPARE . .

- Effectiveness:**
Three inches of Westroc Hand Pour is equal in insulation value to 5 inches of most vermiculite type insulation.
- Coverage:**
Westroc Hand Pour covers 40 square feet 2 inches thick while most other insulations cover only 26 square feet per bag.
- Durability:**
Westroc Hand Pour is unaffected by either moisture or dryness. Is fireproof and vermin proof.
- Price:**
Westroc Hand Pour is only \$1.59 per bag (20 or more delivered Free in Surrey).

Semiahmoo High Holds Homecoming Friday, Nov. 8

Semiahmoo High's annual homecoming festivities will be held on Friday, Nov. 8 at 7:30 p.m. in the High School Gymnasium.

Two basketball games have been slated. Semiahmoo's senior boys will take on the Ex-Grads in the feature contest at 8:30 p.m. The senior girls team will play the Ex-Grad rivals in the opener at 7:30 p.m.

A dance will be held following the games with proceeds going to the 1958 Graduating Class.

The Ex-Grad games mark the opening of the 1957-58 Lower Fraser Valley High School Basketball schedule. Teams from Semiahmoo, Lord Tweedsmuir, Queen Elizabeth, North Surrey, Princess Mar-

garet, Delta, and the new Richardson school will participate.

Semiahmoo's senior boys soccer team is in first place in the Lower Fraser Valley Inter-High League with one game remaining against Queen Elizabeth. North Surrey and Q.E. are tied for second spot. Playoffs may be held after league play has concluded.

The senior girls volleyball team of Semiahmoo placed third in the Lower Fraser Valley Tournament held Friday at the new Richardson High School. Teams from Princess Margaret, Delta, North Surrey, Queen Elizabeth and Lord Tweedsmuir also participated.

Senior B Basketball Team To Perform Here

White Rock will soon be the home of a Senior B Basketball team which will enter the Lower Fraser Valley loop with Cloverdale and Delta.

White Rock Amateur Athletic Association were given permission Tuesday by the Surrey Board of School Trustees to use Semiahmoo High for their home games on Monday evenings providing the principal approves the plan.

Norm Hadden, president of Elgin Community Association and organizer of the team, said the group will be known as the "White Rock Elgins."

"As the team will be playing in White Rock and has received aid from both the Athletic Association and Elgin Community Association we

decided to include both districts in the name," Hadden stated.

Hadden will manage the squad but a coach has not yet been named. Reece Temblett of Crescent Beach, well-known sports figure, may pilot the team this year.

More players are urgently needed and anyone interested is asked to report to the Elgin Community Hall tonight for practice.

The League Executive hopes to enter a fourth team in the circuit. The schedule has not yet been released.

White Rock Elgins of the Lower Fraser Valley Senior B Basketball League will play an exhibition game against Cloverdale on Monday, Nov. 4 at 7:30 p.m. in Semiahmoo High Gymnasium.

SPORTS

TOWN TOPICS

By VIN COYNE.

White Rock Players' Club has sometimes met with criticism from those who frowned upon what they termed, "risque" or "amoral" productions of the past several years. For a refreshing and unforgettable experience those who have commented unfavorably on past productions should have seen last week's presentation of "Our Town." Here, surely, was the most fascinating and absorbing experience ever to be put before an audience by the Players' Club. It is seldom the audience actually feels they are part of the plot but by the third act of "Our Town" the theatre-goers, I'm sure, were among the party of mourners on that windy hill above Grover's Corner, New Hampshire. There was no Curtain Call in this production and after Franklin Johnson pulled the final curtain closed the audience still sat expectantly, perhaps spell-bound, then realizing there is no more, moved slowly, almost reluctantly, towards the exit.

It is unfortunate that the supreme efforts of the Players' Club must be hampered by the continuous din from the adjoining premises. The sound of juke boxes and constant scuffling and fighting from next door is not only a detriment, but also an insult to the Club's productions. Roll on the day when the cultural

aspect of this City will be protected by the strong walls and modern equipment of an Auditorium for the Players. Tuesday night's performance was cancelled because Keith Gordon, who did such a remarkable job in the leading male role as George Gibbs, developed the flu. His temperature was 103. Seemed inevitable that the young and talented leading lady, Linda Collins, would catch the bug and sure enough by Thursday night, she too was battling the flu. Several other members were also fighting a losing battle with it by the end of the week.

A bylaw is in existence which forbids hunting in White Rock and yet a local RCMP officer was out trying his luck in a vacant lot at the corner of Best and North Bluff roads last Sunday afternoon. A passing motorist heard the shot and then what he thought were pellets hitting his car. On examination he found no damage to his car but saw the hunter running across the field to retrieve a pheasant he had shot. There were children playing in this area and all it would have taken was one rather wild shot. Prior to Incorporation, Surrey adopted a bylaw prohibiting all hunting in Ward 7, now the City of White Rock. If a law-enforcer doesn't know better, who does?

Suggestion by Zone 1 Rate-payers that Council develop the site bounded by Pacific, Johnston and Buena Vista as a park could mean a beautiful City if Council could purchase several small sites for this purpose. Another dedicated park area that could be developed as such a site is located at the corner of Columbia and Victoria Avenues. Several years ago the City of Prestwick, Scotland, went on such a park-development campaign and today Prestwick is recognized as a national beauty spot. Should White Rock embark on such a plan within five years it may not only boast of Canada's finest beaches but also one of the finest park systems.

Mrs. McNally, single 217; Kay Smith, 3 game 547.

W.R. and Newton Teams Deadlock 2-2

White Rock and Newton battled to a 2-2 deadlock in a 15-17 contest of the Lower Fraser Valley Soccer Association held Sunday at Newton Athletic Park.

The tie still gives the City squad a 4 point lead on second place Newton. White Rock has gone undefeated while Newton has lost one and tied two of their games.

Robin Marshall opened the scoring for the City eleven with three minutes remaining in the first half. The second goal came moments later when the ball reflected off the Newton full back and bounced into the net. Jim Meek, the last player to kick the ball, was credited with the goal.

John Bent put Newton back in the game in second half with his drive and Terry Palm tied the game with a penalty shot that beat White Rock goal-tender John Conibear.

In other 15-17 action, Fleetwood defeated Whalley 4-1.

White Rock Wanderers of the 10-12 division went down to a 7-0 trouncing at the hands of Whalley, Saturday, at Semiahmoo Park.

Newton edged Fleetwood 1-0 in other 10-12 play Saturday.

White Rock Wanderers will travel to Newton Saturday at 10 a.m. and the 15-17 group will play at Fleetwood Sunday at 2 p.m.

Curling

White Rock Curling Club opened the 1957-58 season on Oct. 21 and there are only a few rinks remaining vacant. Anyone wishing to participate should contact Mrs. Syd Gibbon at W.R. 8-8676. Here are last week's results.

Curling Club: Oct. 21-Sully 12, Dodd 4; Embelton 12, Stenstrom 3; Wichlow 12, Wilson 7; Stapleton 8, Wilkie 7. Oct. 22-Simpson 7, Hogg 5; Clarke 17, Kennett 8. Watson 10, McPherson 7; Earl 11, Walton 7; Ornter 12, Thorpe 8. Oct. 23-McNeill 8, McAdam 7; Hough 8, Lockhart 4; Crosby 9, Burke 8; Barker 9, Peterson 6. Oct.

24-Pepper 13, Stenstrom 9; Graham 9, Wishlow 7; Wilkie 10, Wilson 6; Cameron 11, Embelton 7; Winder 9, Dodd 8. Oct. 25-Thorne 10, Clark 7; Kennett 11, McPherson 9; Earl 12, Hogg 5; Ornter 6, Watson 5; Walton 11, Simpson 9; Phinney 10, Santa 8. Oct. 26-Crosby 12, Hough 6; McNeill 10, Baker 7.

Canadian Legion: Dodds 10, Phinney 9; O'Rourke 11, McKnight 7; Santa 11, Wishlow 4.

Army and Navy: Dodd 12, Olson 4; Harrison 9, M. Harrison 4; Sears 7, White 5.

Surrey Little League Teams Meet Nov. 5

A meeting of Surrey Little League teams originally set for Thursday, Nov. 7 will now be held on Tuesday, Nov. 5 in the court room of the Municipal Hall, Cloverdale.

The meeting is being held between teams which will make up their own League next season. Surrey Little League will split into three divisions.

This is a very important meeting as it is the entry deadline for all teams. Anyone wishing to enter a team in the League must do so at the Tuesday meeting.

Surrey Little League will hold their regular monthly meeting on Nov. 7 at 8 p.m. at the Dell Hotel, Whalley. The League will probably be dissolved at this meeting.

Athletic Association Meets Friday

White Rock Amateur Athletic Association will hold an executive meeting Friday, Nov. 1 at 6:30 p.m. in the Presbyterian Church, Campbell River Road.

Soccer Tournament Mooted Here

Plans to hold a soccer tournament at Semiahmoo Park shortly will be discussed at the next meeting of White Rock Amateur Athletic Association.

A tournament which would include White Rock, Fleetwood, Whalley and Newton of Division 1 of the Lower Fraser Valley Soccer Association and two teams from New Westminster has been mooted.

The six-team entry would warrant a five-game tournament. One game would have to be played at another field as only four games could be worked into one day at Semiahmoo Park.

Crests would probably be presented to the winning team. White Rock and Fleetwood have already expressed their willingness to participate in the proposed tournament.

GL. 0916-L

A year ago, the life of this fine lobster was repressed. Then small, he was thrown back into the sea—allowed to grow into a bigger, more profitable catch. By raising back shortly, lobster fishermen are actively cooperating with the Department of Fisheries to conserve their own great industry.

The one that got away!

MANY LOBSTERS CAUGHT in the Atlantic fishing grounds go back into the sea. Some are small and are repressed to grow in size and quality. Some are berried—egg-carrying lobsters—willingly surrendered to go back and multiply. During close seasons, no traps are laid. This keeps their numbers at a safe level to ensure good catches in future years.

By following these vital conservation methods, the lobster fishing community wholeheartedly cooperates with the Department of Fisheries and safeguards the prosperity of its industry and livelihood.

The annual market value of Canadian lobsters has been estimated at 15 million dollars. The Department of Fisheries and the lobster fishing industry are jointly concerned to preserve this important national asset.

In the Garden

By G. E. Sery

TIME FOR PLANTING FRUIT TREES

We are approaching the season for planting fruit trees and a few notes on this operation may not be amiss. Holes should be dug somewhat larger than the spread of the roots of the tree to be planted after broken and long roots have been removed. The top soil is better laid to one side separated from the subsoil. Care should be taken to firm the soil around the roots by tramping or stamping. Fill in the surface soil first and the subsoil last. A shovelful of compost can be mixed with the soil in the bottom of the planting hole. Set the tree about two inches lower than it stood in the nursery.

Trees on dwarfing stock (E.M. IX) are usually grafted high, but in any case the point of union between stock and scion should be above soil level. Apple trees on East Malling No. IX stock should be staked and supported. In handling nursery trees be sure roots are not allowed to become dry. Exposure to the air, can do the roots no good at any time. After planting a yearling tree, prune back to the desired height, having in mind that the scaffolding branches are to come out from below this point. New headed trees require less labour in pruning, picking and spraying.

TREE FRUITS OF QUALITY FOR FAVOURABLE AREAS

Today, throughout the fruit producing trees, the recommended standard varieties of

tree fruits are very restricted and few in number. Although commercial varieties have certain proved desirable characteristics yet they may not possess fruits of the best qualities for particular purposes. Fruits of quality for connoisseurs to consider, as listed in this article, are varieties not generally recommended for commercial planting. They are adapted only in the more favourable fruit-growing areas. In the case of apricot and peach, the areas in which these fruits may be grown are still more restricted.

Trees of all these varieties are available from commercial nurseries in British Columbia and inquiries should be addressed to these firms.

The early Delicious apple otherwise known as Rob Roy, is hardy and a biennial bearer. The fruit is early in season, attractive, and of fine texture and good quality. The individual fruits on the tree mature over a period of about two weeks. The variety is valued for dessert, and also for culinary purposes.

Golden Delicious is a yellow apple. The tree is moderately hardy, a heavy cropper and requires a long growing season. Its quality as a dessert apple is outstanding. Moreover, it is held in high esteem for culinary purposes, and the fruit keeps well in storage.

Old Moorpark is an apricot variety which is also known as English Moorpark, but is entirely different from the

commercial variety, Wenatchee Moorpark. Old Moorpark bears heavily and is only moderately winter hardy. The fruit is somewhat soft and rather late in season, but of very high quality for dessert purposes.

Nectar is a mid-season white flesh, semi-cling peach of high quality. The tree bears heavily and the fruit is valued particularly for dessert. Spotlight is a nearly attractive, yellow flesh peach of good quality. It is a semi-tree, stone and suitable both for dessert and canning.

Conference is a well-known peach in England, where it is held in high esteem. The tree appears to be only moderately productive and has a long picking range from early to late September. It is a mid-season variety, ripening from late October to early December. The quality is very good for dessert.

Reeves is a high quality plum of the peach plum type, but later than that variety. The tree is productive but may tend to be bi-annual bearing. It is a freestone and suitable for both dessert and culinary purposes.

SPRAY PEACH TREES FOR LEAF CURL

If your peach tree was affected with leaf-curl last Spring you will probably want to spray it after the leaves fall. It is much easier to carry this operation in late November than to wait until January. If the tree is located on a south wall, very often buds will begin to swell in January. From this point on, any spray applied will be ineffective. Gardeners are finding it more convenient to spray in November rather than wait until January. Bordeaux or lime-sulphur are equally effective but the latter is easier to handle. Light-coloured walls should be given

some protection during the operation of spraying to prevent staining.

OCEAN PARK

Mrs. A. F. Cotton entertained the executive of the W.A. of The Church of the Ascension at her home on Tuesday afternoon for the October meeting. Tentative plans were made for the Christmas sale and tea to be held in the Ocean Park Community Hall on Nov. 15.

Mr. and Mrs. E. McKinnon of Burnaby spent the weekend with Mr. and Mrs. G. Dunbar, Avon St.

The Stitch and Chatter Club met in the S.S. room of The Church of the Ascension on Tuesday night, when plans were completed for the party held on Friday night to welcome Rev. D. A. and Mrs. McKinnell who have recently come from Golden to Crescent where Rev. McKinnell is in charge of the Anglican parish.

Recent visitors at the home of Mrs. L. Laronde were Mr. and Mrs. W. McAlpine of Creston, B.C., Mr. and Mrs. T. Weston, White Rock, Mr. and Mrs. M. S. Demerse, Mr. and Mrs. V. Scott and Peter of Sardinia.

Crescent Federation Honours Mrs. Graham

About 30 members of the Crescent Women's Federation called on Mrs. Graham, where she resides with her son-in-law and daughter, Dr. and Mrs. Ralph McGregor on Sunnyside Road, the occasion being Mrs. Graham's 90th birthday. Gifts and mementos were brought to the "young" lady, and a corsage of beautiful red roses.

Mr. and Mrs. D. Coyle have taken Miss Minnie Burpee's place for a year, and will move in as soon as Mrs. Coyle arrives from Scotland.

Mr. R. Romero will be moving into a home he has arranged for on McBride, as soon as his wife arrives from Wales.

The young son of Mr. and Mrs. W. D. McKenzie of 2661 Cedar Drive, was injured when struck by a car at the intersection of Ocean Park Drive and Crescent Road.

Mayor To Officiate At Scout-Guide Hall Opening

By Ken Whipple.

Scouts, Guides, Cubs and Brownies will show off their new Scout Hall to parents and friends tomorrow, Friday, at 7:30 p.m., when Mayor Wm. Hodgson, attended by White Rock Aldermen will officially declare the hall open. The new building is the outcome of three years of trials and tribulations and is a great credit to White Rock organizations and individuals too numerous to mention in this column. A complete progress report, however, is to be published at a later date by the Hilltop Youth Centre Society. Appreciation for the effort made by this hard working committee can best be shown by turning out Friday evening in full strength for the Grand Opening and inspection of the premises.

Second White Rock Brownie Pack Thursday afternoon put their stamp of approval on the new Hall when they "crashed the gate" for their afternoon session. Disregarding the absence of windows and the presence of volunteer workmen, they enjoyed to the limit the vast roominess of the hall and perfect freedom to extend their vocal chords above the usual limit of a "Dim Roar." Barred from their usual meeting place in Canadian Legion Hall where a Baby Clinic was in progress, the Brownie Pack became first occupants of White Rock's First Scout-Guide Hall.

Strong emphasis is placed on Road Safety and the Highway Code in both Cub and Scout training and this is testified by Cyclists Badges and Proficiency Tests. The old gag of "Look, Mother, no Hands," now has a useful climax — "Look Mother, No Teeth."

C. E. Berry Absent For Youth Centre Opening

Absent from Friday night's opening of Hilltop Youth Centre will be C. E. Berry, prominent City Scout worker, who has been secretary of the Centre Society since its formation.

Mr. Berry has been a patient in Shaughnessy Hospital for the past 11 weeks.

Overture Concerts Open Nov. 13

A date to remember is Wednesday, Nov. 13, when the Semiahmoo Overture Concert Series will open at 8:30 p.m. in the School Auditorium with the presentation of the Cassetti Players, Vancouver Symphony Orchestra's leading woodwind ensemble.

Under the guidance of bassoonist George Zukerman, the ensemble will afford a delightful and novel evening's entertainment. It will bring to life a wide realm of instrumental music, interesting and attractive to old and young.

A word in earnest is better than a speech. — Charles Dickens

"Big Wheel" in trucks with

NEW HUSTLE!

NEW MUSCLE! NEW STYLE!

New Series 31 pickup.

New Series 50 medium-duty L.C.F. model.

New Series 100 heavyweight hauler.

Here with new broad-shouldered styling, a revolutionary new V8 engine, great new models! Here to speed schedules, whittle down operating costs! Here to handle the toughest hauling jobs with new fast-working efficiency!

Chevrolet's Task-Force '58 rolls in with new hustle, new muscle, new style in all three weight-class series... with more sure ways to stay and save on any kind of schedule. You'll find new Step-Van Forward Control delivery models complete with Step-Van bodies. A wider choice of medium-duty haulers. New cab conveniences in all models. Higher efficiency horsepower right up the line, including a radical new V8 development for Task-Force heavyweights. It's the biggest, brawniest Chevrolet fleet ever assembled — at your Chevrolet dealer's right now awaiting your inspection!

New Light-Duty Apaches*

Offering high-capacity pickups and panels, sure-footed 4-Wheel Drive models and, Chevrolet's latest... a "Step-Van" Forward Control model with 8', 10' and 12' body lengths! Famous fuel-saving 6's with increased

horsepower are standard in the Apache Series. A more powerful Trade-master V8, with 160-h.p., is optional at extra cost in conventional light-duty models.

*3100 through 3800 series.

New Medium-Duty Vikings*

Nine new models have been added, all featuring a new cab-to-rear axle dimension for better load distribution in specialized uses. Short-stroke V8's are standard in all middle-weight Low Cab Forward models. Conventional models are powered by the latest versions of Chevrolet's most famous 6's. Heavy-duty options increase GVW ratings up to 21,000 lbs.!

*4000 through 6000 series.

New Heavy-Duty Spartans*

The big news here is Chevrolet's rugged new 348 cu. in. Workmaster V8, standard in Series 90 and 100 models. Its radical new Wedge-Head design assures peak efficiency even with regular grade gasoline! The 243 cu. in. Super Taskmaster V8 is standard in Series 70 and 80 models. Cast-spoke wheels are now standard in all Spartan models and full-air brakes are optional at extra cost.

*8000 through 10,000 series.

See them at your dealer's now!
